RESOLUTION—dated 8th September 1893, No. 372.

The abstract of the programme of famine relief works for 1893-94, received from the Collector of Kurnool, will be submitted for the information of Government.

2. The programme includes provision for the repair of irrigation works estimated to cost 1.67 lakhs; repairs of roads, 4.74 lakhs; works calculated to improve the supply of drinking water, 28 lakh; and other miscellaneous works to cost 2.06 lakhs. This last item includes a provision of 1.64 lakhs for land improvements to be carried out by the aid of State loans. The total provision amounts to Rs. 8,74,618—a sum sufficient to provide employment for only 14.32 per cent. of the total population of the district for a period of three months; except in Sirvel and Markapur, the provision made is inadequate especially so in the taluks of Ramallakot, Koilkuntla and Cumbum. The Collector appends to the statement A a list of additional works whose approximate cost is 3.78 lakhs. Of these, estimates appear to be ready for a portion to cost Rs. 1,10,070, and it is not clear why the Collector shows these as additional works; even inclusive of these latter works the provision in the programme will suffice for the employment of only 16.13 per cent. of the people, 20 per cent. being the limit prescribed by the rules. In preparing the programme for 1894-95, the provision must be amplified to the extent prescribed in the rules.

3. According to the abstract programme printed in these Proceedings, estimates are ready for works costing Rs. 98,122 or only 11.2 per cent. of the provision.

Ramallakot	Palakoddi Badai Khan tank	10,500
	Marabanda tank of Gudur	9,300
	giri tank	12,100
Nandikotkur	New tank near Dhona	15,000
	New tank near Tekur	15,000
	Restoration of Yerramata tank	10,000
Nandyal	Restoration of Eshala tank	10,000
	Gopavaram tank	5,300
	Balevarani tank	6,480
Koilkuntla	Chadivemula tank	10,480
	Tammarejupalli tank	5,698
	Oravakal tank	37,000
	Kalavantala Dekhanayani tank	

4. The Chief Engineer for Irrigation is requested to inform the Board whether the marginally-noted works, which appear to be chiefly the repair of ruined tanks, can be utilised as works available for famine relief in the event of an emergency.

5. In making the entries in the statements connected with the annual programme of famine relief works the Collector is requested to omit fractions of rupees.

(True Copies and Extract.)

(Signed) M. ADINARAYANA IYAH,
Acting Secretary.

To the Secretary to Government, Revenue Department.
" Chief Engineer for Irrigation.
" Collector of Kurnool.
