Sir

I have the honor to state that the Levelling Instrument stolen from Overseer S. V. Ramasawmy Iyengar and written off as per orders of Government contained in G.O. G.O. 901 W of 18th March 1892 (S.E. G.O. 224 C.N. dated 22nd March 1892) has since been found and produced by the Station House Officer of Tirupur Police Station and taken charge by this Department after identification and was forwarded to the Supt^r P.W. Workshops for repairs.

2. The Supt^r P.W. Workshops now reports to me in his letter G.O. $\frac{8C.P.}{E}$ of 19th December 1892 that the Instrument has been repaired (herewith to be returned) and that its cost amounts to Rs 78 and as the previous order was to write the instrument off the return I have debited this charge to the General Tools and Plant of the Division and brought the instrument on to the Tools Return again.
