6TH FEBRUARY 1893, No. 291 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper:—

From the Executive Engineer, Cuddapah Division, to the Superintending Engineer, III Circle, dated 21st January 1893, No. 432.

I have the honour to inform you that the President of Local Fund District Board, Cuddapah, wishes to have the vacant hospital shed of the Sidhout Taluk Cutcherry transferred to his department for the use of Sidhout Union office, and request, therefore, you will be good enough to obtain the sanction of Government for the said transfer, as I see no objection to the building being occupied by the Local Fund Board provided they are responsible for keeping it in good order and for retransferring it to Government when wanted. Copy of President's letter attached.

ENCLOSURE.

From the President, Taluk Board, Sidhout, to the Collector of Cuddapah, dated 19th November 1892, No. 1316.

I have the honour to bring to your notice that there is at present no place for the Chairman of the Sidhout Union Panchayet to hold his office. In the compound of the Taluk cutcherry there is a vacant hospital shed. I beg that it may be allowed to be used for his office with some slight improvements which will be executed from Local Funds. The shed not being required by the Revenue Department was once proposed by the Public Works Department to be demolished. I thought it a pity to destroy it. It was then retained.

Copy communicated to the Executive Engineer with a request that he will be good enough to report whether there is any objection for making over the building to the Local Fund Board for the purpose.

No. 2900.

Copies forwarded to the Chief Engineer, Public Works Department, for favour of sanction.

28th January 1893.

(Signed) A. T. FRASER, Col., R.E.,

ORDER—dated 6th February 1893, No. 291 W., Public Works.

The building will be handed over to the Local Fund District Board on condition that it is kept in repair and handed back on due notice should it be hereafter required by Government.
