GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper:—

From G. E. MANSON, Esq., Executive Engineer, Salem division, to the Superintending Engineer, IV Circle, dated 14th January 1893, No. 22 S.E.

I have the honour to forward, herewith, copies of the Proceedings of the Court of Wards and letters from the Collector of Salem requesting me to undertake the repairs of the damaged anicut of Settipalli village built on the Chinnar, a tributary of Ponniar river, in Shulagiri estate in Hosúr taluk, and to request that you will obtain the sanction of Government to undertake this work and for the requisite funds being placed at our disposal. Enclosed is an estimate prepared in the Civil department. A contribution of 23 per cent. on outlay will have to be paid to Government by the Court of Wards for full professional services—*vide* G.Os., Nos. 1067 W., dated 28th April 1884, and 1523 W., dated 18th June 1884. The site will have to be inspected and probably a fresh estimate prepared.

ENCLOSURES.

From F. A. NICHOLSON, Esq., Acting Collector and District Magistrate of Salem, to the Executive Engineer, Salem division, dated 21st October 1892, No. 3575.

I have the honour to forward, herewith, copies of the correspondence as noted in the margin and to request that you will be so good as to have a revised estimate prepared for the repair of the Settipalli anicut therein referred to and the work executed by your department. I also request that, as suggested in the Court's Proceedings, you will be good enough to apply in due course for the sanction of Government to your undertaking the work and for the requisite funds being placed at your disposal.

This office letter, dated 14th September 1892, No. 3172.
Court of Wards' Proceedings, dated 10th October 1892, No. 3517.

From F. A. NICHOLSON, Esq., Acting Collector of Salem, to the Secretary to the Court of Wards, dated 14th September 1892, No. 3172.

Adverting to Court's Proceedings, No. 930, dated 15th March 1892, I have the honour to report that out of the sanctioned grant of Rs. 1,200 for the Settipalli anicut works, Shulagiri estate, a sum of Rs. 516 was spent up to the end of July last. In consequence of the heavy floods that came down the river during the last month, the new stone revetment along the bank of the river, measuring cubic feet 9,930, valued at about Rs. 273, has been swept away. This is not the first time that the work done has been so damaged, and I am of opinion that it is not desirable that the execution of the work should be entrusted to persons without professional skill and knowledge. I request therefore that I may be permitted to have a revised estimate prepared by the Public Works Department and to entrust the execution of the work to that department.

Proceedings of the Court of Wards, dated 10th October 1892, No. 3517.

Read—letter from the Collector of Salem, dated 14th September 1892, No. 3172.

Resolution—dated 10th October 1892, No. 3517.

The Collector's proposal is approved.

2. He is requested to ask the Executive Engineer to apply in due course for the sanction of Government to his undertaking the work and for the requisite funds being placed at his disposal.

(True Extract.)

(Signed) W. S. MEYER,
Acting Secretary.

No. 19/W.

Submitted to the Chief Engineer, Public Works Department, with a request that he will be good enough to obtain orders of Government for this department to undertake the execution of repairs to Settipalli anicut in Sh -giri estate and for the requisite funds being placed at the disposal of the Executi Engineer, Salem division.

23rd January 1893.

(Signed) J. C. LARMINIE,
Superintending Engineer, IV Circle.

ORDER—dated 6th February 1893, No. 293 W., Public Works.

The work will be undertaken by the Public Works Department on the requisite funds being made available by the Court of Wards. The Superintending Engineer will report the exact sum required.
