Thos W. Jopp Esquire, Execut.
Engineer, Eastern Division, Ristwa,
to the Superintending Engineer,
2nd Circle, dated, Bangalore,
23rd January 93, No. 5816.

To direct in your
No. 1665 HS on Memo. No. 470 D of
6.10.92, 29.9.92, I have the honor to
state that I have inspected the
building. The repairs to the upper
portion of the house are complete,
and to the lower portion nearly
complete. In my opinion the
house is not a suitable one for
the occupation of the Post officer.
It is a difficult matter to estimate
the fair rental of a building in
this position. It may, however,
be taken for granted that
any officer would be dissatisfied
with the arrangement proposed
namely the occupation of the
upper portion of the building only.
The site and surroundings of

of the house are also reported
to be unhealthy and noisy
both night and day. Taking
these points into consideration,
I do not consider that the
bungalow is worth \$5.25 per
month as a residence.
