GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following paper:—

From Brigadier-General E. H. EYRE, Quartermaster-General, Madras Army,
to the Secretary to Government, Military Department, dated Ootacamund,
17th October 1893, No. 1923 M.W.

Adverting to G.O., No. 2378 W., * Public Works Department, of 15th Sep-
tember 1893, paragraph 2, intimating
* Military Department No. 6449 of 28th Sept. that the instructions contained in G.O.,
1893. No. 2806 W., of 7th October 1892, apply
only to works executed from funds found and allotted by the local Government, i.e.,
presumably Provincial funds, I am directed to inquire whether it is to be understood
that the order first quoted supersedes the rules laid down in the latter order in so
far as it relates to Military (a) Major and (b) Minor works costing less than Rs. 2,500,
seeing that funds for such works are provided from Imperial revenues.

2. Should this presumption be correct, the procedure formerly in force, under
which General Officers Commanding were, under the orders of the Commander-in-
Chief, empowered to call upon Superintending Engineers at stations in this Presidency
still under the control of the Public Works Department to prepare plans and estimates
for Military works considered necessary, will be reverted to, and I am to request
that all concerned may be informed that it will no longer be necessary for calls for
the preparation of such plans and estimates to emanate from Government.

No. 7016, Military.

Transferred to the Public Works Department for favour of disposal.

OOTACAMUND,
21st October 1893.

(Signed) H. R. HOPE, Brigdr.-Genl.,
Secretary to Government.

ORDER—dated 17th November 1893, No. 2982 W., Public Works.

The provisions of G.O., No. 2806 W., dated 7th October 1892, will, as directed
in paragraph 2 of G.O., No. 2378 W., dated 15th September 1893, be held to apply
to works executed from Provincial and Local Funds only. Superintending Engineers
are accordingly authorised to comply with all requisitions for plans and estimates for
Military works which may be made on them under orders of His Excellency the
Commander-in-Chief.
