READ—the following paper:—

G.O., dated 23rd October 1893, Mis. No. 3913, Revenue.

Read—the following Proceedings of the Board of Revenue (Land Revenue), dated 25th September 1893, Mis. No. 5505:—

Read—the following letter from the Collector of Madura, dated 12th September 1893, No. 262:—

Referring to Board's Proceedings, No. 192, dated 13th January 1893, communicating G.O., No. 5696, dated 29th December 1892, sanctioning the construction of an office and residence for the Head Assistant Collector at Ramnad, I have the honour to submit, for sanction, estimate for Rs. 17,800 and Rs. 14,300 respectively.

2. From the letter and report of the Superintending Engineer and that of my Head Assistant Collector (enclosed), it will appear that a building on standard design for the residence or bungalow will not be quite suitable for a place like Ramnad, and I therefore support their recommendation that an upper storied building with brick in chunam may be sanctioned as proposed.

3. As regards the land for their construction, I shall address the Board separately.

4. I request that the Government may be moved to sanction these estimates at an early date and the Department of Public Works asked to take up the work in hand immediately.

Resolution—

The estimate, amounting to Rs. 17,800, for the office of the Head Assistant Collector at Ramnad is forwarded for the sanction of Government.

2. The Board does not consider that the type plan for the residence is open to the objections raised by the Collector and his Head Assistant, or that the increased cost of an upper storied building would be justifiable.

Order—dated 23rd October 1893, Mis. No. 3913, Revenue.

The plan and estimate for constructing an office for the Head Assistant Collector at Ramnad are approved and transferred to the Public Works Department.

2. As regards the residence, the Government concurs in the Board's remarks in paragraph 2 of its Proceedings and considers that no case has been made out for any deviation from the standard plan, which should therefore be adhered to. Revised plans and estimates should be submitted for the sanction of Government.

ORDER—dated 17th November 1893, No. 2983 W., Public Works.

The estimate, amounting to Rs. 17,800, for constructing an office for the Head Assistant Collector at Ramnad in the Madura district, is sanctioned.

2. An allotment for the work will be made as soon as funds become available.

3. This sanction has been registered as Provincial No. 113 W. of 1893-94 and classified as Civil Buildings, Original Works.

REMARKS.

This estimate has been framed with
reference to G.O. No. 4 W dated 7th
January 1893 & provides for construct-
ing an office for the Head Asst. Col.
located at Rammad in the Madras
District, as per type design ap-
proved in G.O. No. 2122 W dated
8th August 1891. Increased roofing.

The site selected is private land
for which compensation to the extent
of Rs. 1200 has been provided in the
estimate.

The Collector of Madras in his letter
dated 12th Sept 1893 No. 262 to the Board
of Revenue submitted also for the same
time of Govt an estimate amounting
to Rs. 14,300 for constructing a

for the Head Asst. Collector at Ramm.
This estimate it is stated
has not been based on the type
design circulated with G.O. No.
2978 W dated 7th Nov. 1891 coming
to the design not being suitable
for a place like Rammad but
the Board in its resolution re-
marks that it does not con-
sider that the type design for
the residence is open to the objec-
tion raised by the Collector or that
the increased cost of an upper
storied building would be justifi-
fiable. The Govt. in the Rev. Dep't
considers in the Board's remarks
& states that revised plans &
estimate should be submitted
on the type design.
