Civil Works.

Read—the following paper:—

Proceedings of the Board of Revenue (Separate Revenue), dated 7th October 1893, Mis. No. 4033.

Read—the following letter from C. SMITH, Esq., Executive Engineer, Kistna Eastern Division, to the Assistant Commissioner of Salt and Abkári Revenue, Masulipatam Sub-Division, dated 2nd August 1893, No. 2329:—

With reference to your letter No. 1666, dated 10th July 1893, I have the honour to request that you will be good enough to obtain orders of Government for this department undertaking repairs to the Public Works bungalow on the Orr's Hill and preparing an estimate for cook-house, as, under G.O., No. 1787 W., dated 15th June 1892, no estimate for any projected work for other departments should be prepared by the Public Works Department without the previous orders of Government, also for undertaking the repairs to the bungalow. Provision of funds will have to be made.

Endorsement by the Assistant Commissioner of Salt and Abkári Revenue, Masulipatam Sub-Division, dated 13th August 1893, No. 1999.

Copy submitted to the Deputy Commissioner, Central Division, for favour of orders with reference to correspondence ending with his Proceedings No. 2768, dated 25th June 1893.

2. The Executive Engineer has omitted to say whether there is any site or not for a separate cook-house as required by the Board. My belief is that there will be some difficulty about this, as there is not any room for a separate cook-house. I will report further on receiving a reply to this query from the Executive Engineer.

Endorsement by the Deputy Commissioner, Central Division, dated 27th August 1893, No. 3804.

Copies submitted to the Secretary to the Commissioner of Salt, Abkári and Separate Revenue, with reference to the correspondence ending with Board's Proceedings, Mis. No. 2190, dated 12th June 1893, with a request that the needful orders of Government may be obtained.

Resolution—dated 7th October 1893, Mis. No. 4033.

With reference to the correspondence ending with G.O., Mis. No. 2071, dated 6th June 1893, Revenue, the Board begs to state that, before putting the Assistant Commissioner, Masulipatam Sub-Division, in possession of the Orr's Hill bungalow at Bezwada, it was considered necessary to execute certain repairs to the building. An estimate for Rs. 4,000 was prepared by the Executive Engineer, Kistna Eastern Division, and was sanctioned by the Board from Salt funds. As the Assistant Commissioner was of opinion that skilled supervision was necessary, he was directed to

entrust the work to the Executive Engineer of the division and to request that officer to prepare an estimate for a kitchen which is essential as the existing out-houses to be used as the Assistant Commissioner's office. The Assistant Commissioner now reports that the Executive Engineer wants the sanction of Government under G.O., No. 1787 W., dated 15th June 1892. As the building is urgently required for the Assistant Commissioner, the Board begs that Government will be pleased to order the Public Works Department to undertake the work as soon as possible and to place the necessary funds at the disposal of that department by transfer from the Salt budget. It is requested, however, that orders may be given to commence the work in anticipation of the sanction of the Government of India to the transfer of funds. It is also requested that the Public Works Department may be asked to prepare an estimate for the kitchen and undertake the work.
