G.O., dated 1st November 1893, No. 2780 W., Public Works.

Read—the following paper :—

G.O., dated 4th October 1893, No. 820, Public.

Read—the following letter from the Superintendent, Archaeological Survey, Madras, dated 26th September 1893, No. 358 :—

I have the honour to enclose copy of a memorandum received from the Accountant-General, No. A.B.H/272-P., dated 21st September 1893, from which it appears that the sum of Rs. 164 sanctioned by G.Os., Nos. 183 and 567 P., dated 4th March and 21st July 1893, respectively, for the conservation of the Sidhout fort has been debited to the office contingent charges of the Archaeological Survey. I would respectfully inquire if the expenditure should not be charged to the Reserve with the Government for the conservation of archaeological works.

2. In the sanctioned budget estimate of office charges for the current year, no provision has been made for such a sum. If this amount is to be charged to office contingencies, will it be added to the sanctioned total or deducted from it?

Order—dated 4th October 1893, No. 820, Public.

Communicated with copies of the Government Orders quoted to the Public Works Department with the request that the amount in question, Rs. 164, may be placed at Mr. Rea's disposal.

Office-note from the Examiner, Public Works Accounts, dated Madras, 16th November 1893, No. 1801 D.

[Your office-note No. 3628 C., dated 4th November 1893].

The Superintendent, Archaeological Survey, renders no accounts to this office but to the Executive Engineer who supplies him with funds.

2. In the present instance, as the outlay was incurred by the Collector of Cuddapah, there was no necessity for placing the money at the disposal of Mr. Rea. I would therefore ask that that portion of G.O., No. 2780 W., dated 1st November 1893, placing the sum of Rs. 164 at the disposal of Mr. Rea may be cancelled and that the amount may be placed at the disposal of the Executive Engineer, Cuddapah division, as suggested in my office-note No. 1549 D., dated 26th October 1893, to enable me to accept the debit proposed to be raised by the Accountant-General, Madras.

ORDER—dated 22nd November 1893, No. 3022 W., Public Works.

In the circumstances explained by the Examiner, Public Works Accounts, the sum of Rs. 164 placed at the disposal of Mr. Rea is withdrawn and allotted to the Cuddapah division.
