G.O., dated 15th November 1893, No. 2369, Judicial.

Read—the following letter from the Surgeon-General, dated 16th October 1893, No. 538:—

With reference to G.O., No. 1056 R., dated the 23rd September 1893, Judicial Department, I have the honour to state, for the information of Government, that, on the transfer of criminal lunatics to Madras, it was suggested to the Superintendent, Lunatic Asylum, Calicut, to use a part of the criminal wards rendered vacant for the store-room. Accordingly, a block containing two rooms was taken up and, with slight improvements at a cost of Rs. 210, adapted for the purpose. It now meets all requirements and the erection of a new store-room is unnecessary. I therefore approve of the proposal that Rs. 2,510 from the sanctioned grant of Rs. 5,000 may be utilized for constructing a weaving shed at the asylum.

The balance of Rs. 2,490 I recommend be utilized for the work of placing iron gratings over the wells in the asylum—a work which the Superintendent reports is most urgently required.

Order—dated 15th November 1893, No. 2369, Judicial.

The Surgeon-General's letter, dated 16th October 1893, No. 538, will be communicated to the Public Works Department with reference to G.O., dated 29th August 1893, No. 2212 W.

2. The proposal to place iron gratings over the wells in the Calicut lunatic asylum is approved, and orders for the preparation of plans and estimates will issue in the Public Works Department.
