Submitted to Government. 3048/2

Mr. Whiteley's transfer to service under the Mysore State has already been sanctioned by the Government of India. Although he is temporarily employed in the Civil Department as Acting Professor of Engineering of the College of Engineering at Madras, he retains a lien on his substantive appointment in the Public Works Department. The fact of his giving over charge of his appointment in the Educational Department should however be reported to this office.

As the recovery of pensionary contribution made on his behalf will be watched by the Examiner of Public Works Accounts, this report is submitted through that officer.

Endorsement of the Examiner of Public Works Accounts, Madras, dated 13th November 1893, No. 1797.

Forwarded.

Order, 13th November 1893, No. 845

The Accountant General's endorsement will be communicated to Mr. Whiteley and the Public Works Department.
