From the Supts. Engineer I Culi No 490. V. 2 d 28
 Office note from the Ex. P. W. C. No 1776 D. d 15 Nov 1893

S. E. I Culi,
 Ex. P. W. C.

22 Nov

The Government of
 India will be addressed.

(H.E. No 3060 Wd 27 Nov 1893)

The Secretary to the
 Government of India
 P. W. D.

Sir I am directed to
 enquire whether a with-
 drawal from the Civil
 Engineer's Provident Fund
 can be allowed under
 Rule 6 (c) Appendix D.
 Volume I P. W. Code in
 the case of an officer
 who proceeds out of
 India on privilege
 leave taken under
 medical advice.

2. The case which gives
 rise to this reference is
 as follows:-

W. G. F. Handcock
 Executive Engineer,
 Ceded to England on

privilege leave for two months and twenty-two days, the application for which was supported by a medical certificate. On his return to duty he has asked for sanction to withdraw Rs. 1,000 from the Provident Fund to meet in part a debt of Rs. 1,500 incurred by him on account of the expenses of the passage.

3. The Examiner C. W. amounts is doubtful whether the withdrawal is admissible, as in the language of the C. W. Regs., privilege leave is not considered "leave of India", and although taken under medical advice, it does not fulfil the ordinary accepted meaning of the expression "leave on medical certificate." I am therefore to refer the matter for the orders of the Government of India.

Submitting Mr. G. F. Hand-

W.

The rule on the point reads thus:
"to pay for the passage of the
depositor
going on leave out of India
on medical certificate,"
or returning after such absence.

(P.W.D. Code, vol. I, App. D, rule 6(i)).

In the language of the C. S. Regulations
privilege leave is not considered as
"leave out of India", nor does the fact
of an officer spending his privilege
leave in a trip to England, under
medical advice fulfil the ordinarily
accepted meaning of the expression
"on medical certificate."

3. It therefore seems doubtful whether
the withdrawal is admissible, and I would
suggest that the matter be referred for
the orders of the Govt of India.
