29TH NOVEMBER 1893, No. 3086 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper:—

From W. A. WILLOCK, Esq., Collector, Vizagapatam District, to the Secretary to Government, Public Works Department, dated 23rd November 1893, R.C. No. 232.

I have the honour to state that a piece of inam land in the Belgam village of the Párvatipuram taluk of this district, as per accompanying schedule, is required temporarily for six months by the Public Works Department for making bricks, &c., for the Párvatipuram hill jail buildings. I therefore request that my Senior Assistant Collector may be directed, under section 43 of Act X of 1870, to procure the temporary occupation and use of the said land for a period of six months. The owner of the land, however, objects to the temporary occupation on the ground that his land would be rendered unfit for pasture and that the mango trees standing thereon would become damaged by brick kilns being opened near them. The question as to whether the land will become unfit for pasture by its occupation by the Public Works Department will be considered after the period of temporary occupation expires, and if rendered unfit it will be acquired permanently under section 44 of the Act. The statement of the owner's objections is enclosed.
