Nilgiri Sub-division office

No 734

15th November 1893

From

The Sub-division officer

Nilgiri Sub-division

To.

The Executive Engineer

Coimbatore Division

Sir,

With reference to your No 4,159 dated 10th November 1893, I beg to point out that the supply of umbrellas to the lascars of this Sub-division is absolutely necessary, as it is required to preserve papers &c, that are being taken out to Sub-divisional officers' quarters as well as for Post and local delivery, from heavy rains on the hills. It is with the same object peons attached to all other offices in Ootacamund are being supplied with umbrella as well as water proof

proof coats, and when the secretariat offices are up here for the season the peons of all departments of the Secretariat are being supplied with both the above as well as with lanterns and candles, which is absolutely necessary on misty dark nights to go up and down the hills. In the same manner lascars who were attached to the late Nilgiri Division were furnished with umbrella and water proof coats which (the latter) were supplied on a special sanction and allotment irrespective of Rs 15 sanctioned for warm clothing for each.

* Vide G.O.
2026 W of 2
1891.

2 I further beg to state that the supply of warm clothing and umbrella has been made within the sanctioned amount Rs 75. The accounts for the same are as follow:-

17 yards of serge at Rs 2-1-0 per yard	35	1	0
30 yards lining at $4\frac{3}{4}$ yards per Rupee	6	5	0
2½ doz: buttons at 1½ annas per dozen	0	3	9
Tailoring charges at Rs 1-2-0 per suit	5	10	0
35½ yards of Turkey cloth for Turban at $4\frac{3}{4}$ yards per Rupee	9	0	0
5 Umbrellas at Rs 1-8-0 each	7	8	0
5 Cumblies at Rs 2-4-0 each	11	4	0
Total	74	15	9

3 There are only 1 messenger and 4 lascars attached to this sub-division so that only 5 umbrellas were purchased at Rs 1-8-0 each which comes to Rs 7-8-0. The sixth one was purchased for the divisional office lascar as per your verbal orders for Rs 1-6-0. Total Rs 8-14-0. Of the above, the proper amount to be debited against sanction of Rs 75 is only Rs 7-8-0 as detailed above and not Rs 8-14-0; the difference Rs 1-6-0 will have to be charged against Divisional office contingencies.

4 Under the above circumstances I humbly request you will be good enough

enough to represent the circum-
stances and obtain sanction of
Government for the purchase of
umbrellas for the lascars of this
Sub-division as a special case.

From the Supg. Engineer IV Circle No 462 Wd 22.11.93

The excess due to the purchase of 6 umbrellas for the lascars attached to the Subdivisional office Nilgiris may be charged against the estimate of Rs. 75 sanctioned in G.O. 2026 d/28th July 1891.

2. That sanction did not cover the supply of turbans and cumblies, but as these articles have already been purchased within the amount of the estimate the cost may be admitted.
