THE PRESIDENCY PORT OFFICER,

To
THE CHIEF SECRETARY TO GOVERNMENT,
MARINE DEPARTMENT,
FORT ST. GEORGE.

SIR,

In reply to Marine Department
Memorandum No. 1942, dated 2nd November
1893, I have the honor to acquaint you for
the information of Government, that the
superintending Engineer Mr. Birch is of
opinion that it will be a waste of money
to repair the present tiled roofs with ordinary
pan tiles as from the exposed situation
of the buildings these tiles are certain
to be blown off. He further states that in
the long run it will be found economical
to roof all the tiled buildings connected
with the lighthouse with "Bangalore"
tiles as has been done at Muttum, and
the Estimate provides for re-roofing with
this description of tiles made at Timmerville
where

where fairly good tiles of this pattern
can be had. I may add that I concur
in the Superintending Engineer's views.

I have the honor to be,
Sir,
