The G. of I. considers that Mr Martin's rank is too high to admit of his deputation to Perak, but it does not say what rank will be accepted. Apparently the deputation allowance is to be Rs 300 per mensem, for that sum is added to the pay of a Supt 2nd cl.

Mr Martin reverts to 2nd class in consequence of Colonel Pennycuick's return to duty, but this will more than appear of only Rs 250 per mensem in the charge to Perak.

Sir,

I have the honor to apply for the appointment at Perak referred to in your No. 3632 C dated 4th November 1893 and circulated with Superintending Engineer's No. 416 Gl of the 8th November 1893 on the following terms.

I believe my "assumed pay" as calculated under Civil Service Regulations articles 808 and 809 is Rs. 1050. Allowing for the deduction of 1/4 of this "assumed pay" or Rs. 262-8-0 I will accept a gross salary at the rate of Rs. 1800 per month with a first-class passage for myself and my wife from India to Perak and back or in the event of my taking leave from Perak the equivalent in money of a first-class passage for myself and my wife from Perak to India.

Also 1/3 In the event of the exchange falling below 1/3 1/16 per rupee I would ask for an exchange Compensation allowance calculated in accordance with the rules recently laid down by the Government of India.

As I believe the appointment will only last a short time I presume there is no use in asking for an increase in salary corresponding to any promotion I might be given if I remained in India.
