En. Engineers Office

Godavari Western Division

Dated 25 November 1893

From.

A. Joyce Esq.

1/328

Executive Engineer

Godavari Western Division

To

The Superintending Engineer
I Circle.

Sir

I have received today Co.
No 2873 G dated 2nd November 1893
of Government of India the
Circular about retirement.

Before I can come to any
decision about such very
indefinite proposals, I should
like to have the following infor-
mation supplied me.

Shall I be allowed any furlough
due to me previous to my taking
this pension.

Will my pension be paid in
London if I so desire at the
rate of 12 English Sterling to
10 Rupees as I was led to believe

Her Majesty's Secretary of State
whom I entered the College in
1871.

Will the fact that I draw my
pay in London at the rate of
12 English Sterling to 10 Rs give
me permission to "wander" "liber homo"
where I like and live where I like
as I was led to believe by Her
Majesty's Secretary of State in
1871.

Are these terms now offered
legally binding or are they
liable to be rescinded or altered
at any time otherwise than by
full act of the British
Government Parliament.

I should take it as a great
favor if you would kindly send
this letter up to the Government
of India in original so that I
may get an answer to these points
as quickly as possible.

I see that I have to come to my
decision by February 2nd 1894 and
I only received the Resolution
on November 25th 1893.
