GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

Judicial.

Read the following paper:—

No. 269. From Major W. B. WILSON, Officiating Assistant Secretary to the Government of India, Military Department, to Brigdr.-Genl. H. R. HOPE, Secretary to the Government of Madras, Military Department; dated Simla, the 26th October 1893, No. 2129-C.

Judicial.

With reference to para. 5 of Military Department letter No. 1267-C., dated the 27th June 1892, I am directed to state (for the information of the Governor in Council) that the Government of India have had under consideration the question of amending and consolidating the Tolls Acts for all British India. In connection with this proposal it has been suggested that it would be convenient for military purposes that the consolidating Act should contain the following provisions, or some of them:—

- (i) All officers, soldiers, reservists, and Imperial Service troops, on duty or on the march, and when proceeding on, or returning from, furlough or leave, together with their authorized chargers, regulation amount of baggage, stores, and all equipment; also all volunteers on duty, or on the march, or proceeding on, or returning from, leave, when their corps have been called out for duty of any sort; also all employes of the departments of the Army when travelling on duty, or proceeding on, or returning from, furlough or leave;
- (ii) all prisoners under military escort;
- (iii) all carriage, equipment, stores, or animals belonging to, or employed by, or at the expense of, the State, or to be applied to the use of Government, on all occasions, including those on which carriage has been hired for the use of Government, and is proceeding empty to the place of loading;
- (iv) all authorized followers, public and private, when proceeding on duty with any of the persons, animals or things referred to in the above three clauses, or ordered by competent authority to proceed from one place to another, provided that such toll be on their direct road, along with their regulation allowance of baggage, and carriage for the same;
- (v) all families of officers, soldiers, reservists, Imperial Service troops, volunteers who have been called out by the State for duty, employes of the departments of the Army, and authorized public followers, along with their regulation amount of baggage and carriage for the same, on all occasions when such families are travelling at the public expense;

shall be exempt from tolls, customs, duties, or taxes, in passing along or over all public roads, bridges, sub-ways, or ferries, or landing at, or embarking from, all public wharves, piers, jetties and docks in British India.

2. I am to request that the Government of India may be furnished with an expression of the opinion of His Excellency in Council on the proposed legislation, and in particular whether such exemptions, or any of them, should be confined

to the cases in which such tolls, &c., are payable to the Government of India or a Local Government, or should be extended to the case of tolls, &c., payable to local authorities or Railway Administrations, and, if the latter, whether under any and what limitations or conditions.

No. 270.

The foregoing letter from the Government of India will be communicated to the Revenue, Local and Municipal and Public Works Departments, and also to His Excellency the Commander-in-Chief for favour of an early expression of opinion on the proposed legislation.
