WITH THE GOVERNMENT OF MADRAS,

Madras, *23 November* 1893.

No. *613*

From

SURGEON MAJOR-GENERAL W. F. DE FABECK, M.D.

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

Madras,

To

THE

Hon'ble the Chief Secy. to Govt.
Public Department.

SIR,

I have the honor to state that in September/93 the Superintendent of Ophthalmic Hospital brought to my notice that the Out-patient's waiting shed for natives was insufficient to accommodate the large number of people attending the hospital. I subsequently inspected the Hospital and found that it was absolutely necessary to extend the present shed & accordingly directed the Superintendent to place himself in communication with the Public Works Department on the subject.

As it has been reported that the Estimate for extending the shed would exceed Rs 500, the Public Works Deptt. require the sanction of Government to prepare the necessary plan & Estimate.
