With reference to your endorsement No. 875 K.S. dated 3rd July 1893 on Chief Engineer's endorsement No. 2425 of 26th June 1893 requesting me to submit a statement as required by para 28, Chapter VI, Vol I, P.W. Code in respect to the Government Building "Old Northern Sub Division Office Bezwada" (herewith returned), I have the honor to submit herewith a statement as directed and to state that the building has been classed as "Imperial".

2. If according to the Collector's request the use of only one room in the whole building were to be allowed rent free, I would point out that it would be impossible to find tenants for the remaining portion and would therefore suggest that the whole building may be transferred to the Military Department.

3. I take this opportunity to inform you that the rent of this building was not formally fixed by Government hitherto and I therefore submit herewith a statement giving data for calculation

calculation of the rent at Rs 54/- a month for sanction, which I may point out, is altogether out of proportion to the accommodation provided and is due to the high value put upon the site by the Collector; i.e: Rs 2/- per square yard.
