GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following paper:—

From Brigadier-General E. H. EYRE, Quartermaster-General, Madras Army, to the Secretary to Government, Military Department, dated Ootacamund, 2nd December 1893, No. 2188 M.W.

Adverting to Proceedings of the Madras Government, No. 5133 of 7th August 1893, in which an allotment* is made in the current year's Military Works budget estimate for constructing quarters for the Sergeant Instructor of the Madras Railway Volunteer Corps at Rénigunta, I am desired to forward, for the information of Government, copies of the marginally-noted correspondence, and in the circumstances to suggest that the provision of the above quarters be held in abeyance for the present.

2. As the funds allotted for the quarters in question will now presumably be available for other purposes, the Commander-in-Chief recommends that Rs. 2,500 † of the amount thus available be devoted to the purchase of a house required for the accommodation of the Sergeant Instructor of the Madras Railway Volunteers at Jalarpot and the balance placed at the disposal of the General Officer Commanding Southern District for the execution of certain minor works which are considered very necessary.

3. With reference to the former work, I am to remark that the local Military authorities now recommend the purchase of a house belonging to Mrs. Liptrot instead of the one formerly suggested. The Commandant of the Volunteer Corps reports that this bungalow is perfectly fit for immediate occupation and is worth more than the money demanded for it, viz., Rs. 2,500. The Executive Engineer, Salem district, has been asked by the General Officer Commanding Bangalore District to submit a plan and preliminary report regarding the property.

4. I am to ask the favour of the very early orders of Government on this letter.

ENCLOSURES.

From Brigadier-General E. H. EYRE, Quartermaster-General, Madras Army, to the Consulting Engineer for Railways, dated Ootacamund, 16th November 1893, No. 2085 M.W.

In connection with inquiries recently made regarding a proposal to purchase a bungalow at Rénigunta belonging to the Madras Railway Company for the accommodation of the Sergeant Instructor of the Madras Railway Volunteers located at that station, it has been reported that a rumour is current to the effect that Rénigunta is to be given up as an engine-changing station. If this is correct, the railway employés comprising the Volunteer Company will probably be transferred to some other station, and the necessity for providing a house for the Sergeant

Instructor at Rénigunta will cease to exist, and I am accordingly to ask you to be so good as to inform me, as early as possible, whether there is any likelihood of the change referred to being carried out, as, if so, steps will have to be taken at once in view to the funds allotted in the current year's budget for the provision of the accommodation for the Sergeant Instructor being devoted to some other purpose.

2. The favour of a reply by telegram is requested.

Telegram from the Consulting Engineer for Railways, Madras, to the Quartermaster-General, Ootacamund, dated 21st November 1893, No. D. 457.

Your 2085 M.W., 16th instant. Abandonment of Rénigunta has been raised, but no decision yet arrived at. Suggest that provision of Sergeant Instructor's quarters be held in abeyance.
