No. 461/W

Supg. Engr's Office, IV Circle,
Coimbatore, 22nd November 1893.

3244/1

From

J. Hannan Esqr,
Superintending Engineer,
Fourth Circle.

To

The Chief Engineer,
Public Works Department.

Sir,

Adverting to your Memo: No. 3529C dated 31st Ultimo, I have the honor to state as follows:—

1. Allalam Channel.

The proper designation of the man employed on it is Channel Superintendent. He was appointed by the Executive Engineer, on the representation that water was being wasted by the Neergatties of the Channel at the head resulting in the failure of supply to the tail lands, to see to the due regulation of supply throughout the Channel from Head sluice downwards. He was only

temporarily

temporarily appointed and as the Executive Engineer has since ascertained that he could not exercise any control over the Mercantiles who regulate the distribution under the orders of the Revenue Department, the services of the Superintendt were ordered to be dispensed with from the 30th Instant.

2. Pennagoondapuram Tank.

The man employed on this tank may be called Tank Superintendent. His duties are to regulate the supply of water and to see that Channels are maintained in good condition. His pay should properly be debitable to Establishment.

2. A proposition statement of the above Establishment will be forwarded when received from the Executive Engineer who has been called upon to expedite the same.

I have the honor to be,
Sir,
Your most obedt Servt,

J Hammill
Supg. Engineer 4th Circle
