The Collector of
Malabar

Sir,

In reply to your N^o ~~4471~~ 4471, dated 26th ultimo,
I have the honor to state that as the existence
of the thatched building (measuring some 22' x 16')
after the construction of the Sub Registrar's office
will be ineffectual and a danger to the office in
case of fire, I am of opinion that it should be
acquired.

2. The amount of compensation to be paid
cannot be large especially if the owner is allowed
to take away the materials when the building is
dismantled.

I have &c.
