W. C. Holmes Esquire,
District Judge of
South Canara.

To

The Registrar of the High Court
of Judicature, Appellate Side,
Madras.

Sir,

I have the honor to enclose copy
of the Executive Engineer's letter, dated 16th
ultimo, No. 3512, requesting that sanction
of Government may be obtained for
having certain repairs made to the Dis-
-trict Court, the cost of which amounts to
Rs. 890. The roof, walls, windows and
doors as well as the ornamental work
of the District Court required to be
repaired, and as professional skill was
required, I asked the Sub Divisional
Officer, P. W. D., to undertake the work,
and he partly did it with the sanction
of

of the Executive Engineer during the late recess. The work was of such a nature that it could only be done during the recess, as it necessitated scaffolding being put up in the Court. The repairs were chiefly of such a nature as were necessary for the preservation of the wood-work of the building. I request that sanction of Government may be obtained for the execution and the completion of this work by P. W. D., the estimate for which is herewith submitted.

2. All the work was first classed under repairs, but now it is said that part of the work comes under the head of improvements. The cost of the improvements which consist of wooden ceiling to the property-room and vestibule and renewal of punkah to the Court hall and Judge's room, of new windows, &c., amounts to Rs. 640; but as G.O. 2806:W. 7-10-92 requires sanction of Government as regards works costing over Rs. 500 in order.

order to enable the P. W. D. to prepare estimates, I request that the formal sanction of Government may be obtained to have the estimate prepared by that Department.
