Proceedings of the Court of Wards,

Dated 23rd August 1893.

No. 2803.

READ the following letter from the Collector of
Trichinopoly dated 11 August 1893 N. 435.

In the Budget of Tanjavaram
Duraiswamy Aiyar's Estate for fasli 1303 a
sum of Rs 1667 has been provided for the
reconstruction of a Chattram at Tirupla-
thorai in Trichinopoly Taluk. The Chattram
consisted of a thatched building with a
small terraced room in a ruined state
and was last year consumed by fire.
In Arpisi (October - November) large
numbers of persons resort to the place
to bathe in the Canvey and Brahmins
are fed in the Chattram at the cost
of the Estate. The building being situ-
-ated

...ated on the road from Harur to
Trichinopoly serves also to accommo-
-date travellers. It is therefore desirable
to re-construct it. The manager's
estimate amounted to Rs 1667, but the
Executive Engineer has found this in-
-accurate and has submitted one
for Rs 2300 which may be accepted
as correct. It provides for walls of
brick in clay and a roof partly tiled
partly terraced. If the work is, as
I think it should be, entrusted to the
Public Works, the total cost with con-
-tribution at $24\frac{1}{2}$ per cent for supervision re-
-sults in an amount to Rs 2863-8-.

2. I have the honor to request
sanction for the construction of the
building at this cost.
