PROCEEDINGS OF THE BOARD OF REVENUE
(REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—the following letter from J. STURROCK, Esq., Collector of Coimbatore, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated Coimbatore, 5th September 1892, Ref. on No. 1351-Bd. :—

With reference to paragraph 4 of Board's Proceedings, No. 411, dated 7th June 1892, I have the honour to submit a revised programme of works available for famine relief during 1892-93, together with an abstract in form C.

2. I have merely revised the list returned to me with Board's Proceedings, Mis. No. 5401, dated 21st June 1892, in the light of the new instructions, and included therein, as directed by the Board, the Professional Agency works mentioned in Board's Proceedings, No. 450, dated 22nd June 1892.

3. The new rules will be fully conformed to while preparing future programmes.

Reference on the above, dated 5th October 1892.

Statement C accompanying the programme of works does not show any estimate of the number of persons who might find employment on land improvements which may be carried out by the aid of loans as required in Board's Proceedings, No. 502, dated 16th July 1892. The Collector is accordingly requested to forward a revised statement at an early date.

2. As regards irrigation works, for the repair of which provision is made in the programme, a statement in form B prescribed in Board's Proceedings, No. 411, dated 7th June 1892, should be submitted.

(Signed) P. RAJARATNA MUDALIAR,
Secretary.

To the Collector of Coimbatore.

READ—letter from the Collector of Coimbatore, dated 10th December 1892, No. 1912.

ABSTRACT.—Submitting an abstract statement of programme of relief works in form C in the Coimbatore district for the year 1892-93 and stating that statement B will follow shortly.

READ—letter from the Collector of Coimbatore, dated 10th December 1892, No. 1913.

ABSTRACT.—Submitting the statement form B for the irrigation works contained in the programme of relief works for 1892-93 already submitted to the Board.

RESOLUTION—dated 14th December 1892, No. 790.

The programme of relief works for 1892-93 received from the Collector of Coimbatore will be submitted for the information of Government in continuation of Board's Proceedings, No. 769, dated 3rd December 1892.

2. The programme includes the Bhavani reservoir project estimated to cost Rs. 44.5 lakhs, extensions and improvements to the Kalingaroyen channel 6.5 lakhs, repairs to irrigation works 3.22 lakhs, the construction of 329 miles of new road 1.84 lakhs, and repairs to roads 19.93 lakhs; works calculated to improve drinking-water supply 48 lakh, other miscellaneous works 9.6 lakhs; and improvements to be carried out with the aid of State loans under the Land Improvement Loans Act 7.75 lakhs. The aggregate estimated cost of all classes of works amounts to Rs. 93,85,333, and they are calculated to afford employment for a period of three months to 1,156,679 persons or about 58 per cent. of the total population of the district according to the recent census.

3. The percentage of population provided for is over the 20 per cent. minimum fixed by the rules in all taluks, except Coimbatore and Pollachi, where it is 17 and 15 per cent. respectively, and appears to be ample.

4. Estimates are reported to be ready for works to cost Rs. 11,75,679, and no estimates are required for the land improvement works.

5. It is observed that the Collector has shown all road works under "simple works to be executed by the district staff"; as these works would probably be carried out by the Engineering staff of the Local Fund Board, they should be classed as works for which professional agency is required.

6. It should be stated whether the Bhavani reservoir project is in a forward state of progress, in which case only it should be included in the programme; otherwise it should be shown only as an additional work which can be made available if need should arise.

7. The total number of irrigation works as given in statement B is only 179 as against 316 shown in statistical return 53. The discrepancy should be explained, and a revised statement B forwarded if necessary.

Secretary.

Collector of Coimbatore.
