Overseer C. J. Plummer
was promoted to Overseer
2nd grade temporary route
from Aug 10: to 22 Sept
1892 - He had previously
been granted Presidency
allowance with the
sanction of Govt.

The Govt requires
renewed sanction for
the period the Overseer
held temporary route
as 2nd grade.

The rate of Presy
allowance for all grades
of Overseers is Rs 15
per mensem, so that
Mr Plummer's promotion
gave him no increase
in this allowance.

In the recent
Case of Mr le Maistre
(G.O. No 2436 WD 16.12.92)

The Govt expressed the
opinion that ^{the} sanctioned
sanction for Presy. allow-
ance was required in each

Case of promotion
if the amount to be paid
was unaffected.

If renewed sanction
is needed in the Plummer's
Case from 10th Sept. when he
was promoted, it should
equally be required from
23rd Sept. when he reverted.

The Govt. might
perhaps be told that
he may continue to have
Pres. allowance after
it is once sanctioned
by Govt., if subsequent
promotion or reversion
do not affect the
amount to be admitted.
Dropt. rule
admitted accordingly.

Read the following:—

Letter from the Consq. Architect to Govt. No. 3184
dated 25th January 1893.

FOR ORDERS.

Overseer C. J. Plummer
was promoted to overseer
2nd grade temporary rank
from the 10th to 22nd Sept. 92.
He had previously been
granted Presidency al-
lowance with the sanction
of Govt.

2. The mainms requires
renewed sanction for
the period the overseer
held temporary rank as
2nd grade.

3. In G.O. No. 2035 W
dated 22nd July 1892, it
was ruled that the
Madras rates of Presidency
allowance for upper subordi-
nates should continue
in force. According to the

(para 31)
The Madras Code the rate
of Presidency allowance
for all grades of overseer
is Rs 15 per mensem, so
that Mr. Plummer's pro-
motion gave him no in-
crease in his allowance.

4. In the recent case of Mr.
LeMaistre (G.O. No. 34364)
dated 16th Dec. 1892) the
Examiners expressed the
opinion that ^{under} para 31, Chapter
I India Code, renewed
sanction for Presidency
allowance ^{was required} in each case
of promotion, even if the
amount to be passed was
unaffected.

5. If renewed sanction
is needed in Mr. Plummer's
case from 10th September
when he was promoted,
it should equally be required
from 23rd Sept. when he
reverted.

6. The Examiners might
perhaps be told that
he may continue to pass
Presidency allowance
after it is once sanctioned
by Govt. if subsequent

831
promotions or ~~depositions~~
to not affect the amount
to be admitted.

Draft G.O. submitted
accordingly.

P. W. D.

Office of the Consulting Architect to Govt.,
Chepauk, Madras,25th January 1893.

No. 3184

From

Henry Irwin, Esq., C.I.C.,
Consulting Architect
to the Government of Madras,

To "

The Chief Engineer
Public Works Department
Madras.

Sir,

Enclosures.

I have the honor to forward the following
case for orders of Government.

Mr. C. J. Plummer Overseer 3rd grade
attached to the Office of the Consulting
Architect Division was given a Temporary
promotion to 2nd grade from 10 to 22nd Sept^r
1892 Presidency allowance at Rs 15/- was
claimed for him, as Overseer 2nd grade
on the authority of Sanction of Govt.
accorded as 2nd grade Overseer in the
salary bill for December 1892. From
the remarks in the Dis. List (copy en-
closed for reference) it would appear
that the Examiner of P & accounts,
Madras, is of opinion that separate

separate sanction should be obtained
for granting this Presidium allowance
on every promotion given although there
may not be actual increase in the
amounts already paid - as in the present
instance. I doubt whether any such
separate sanction would be necessary
when no increase or decrease in the allow-
ances already drawn is involved. More
especially in the case of Mr. Plummer
whose promotion lasts only for a few
days.

I have the honor to be

Sir

Your most Obedt Servt

25 Feb

After Presidency
allowance has once
been sanctioned by
Govt, in the case of
any officer, the Examiner
is authorised to pass
it without renewed
sanction, if subsequent
promotions or reversions
make no difference
in the amount to
be admitted, and
provided that the
allowance is drawn
continuously.
