GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following paper:—

From the Officiating Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 11th October 1893, No. 2631 G.

(Procedure to be adopted antecedent to an officer drawing exchange compensation allowance.)

With reference to rule 3 of the rules referred to in Government of India Finance and Commerce Department Resolution No. 3624 A., dated 18th August last, sanctioning the grant of exchange compensation allowance, I am directed to inform you that it may be assumed, as a rule, that all Civil and Military officers of the Public Works Department subject to the rules in Chapter XIII of the Civil Service Regulations, as well as all Military officers and subordinates subject to Military rules, are entitled to that allowance, without requiring proof that they are not domiciled in India. If, however, by reason of personal knowledge or otherwise, the head of the office or the Audit officer has reason to believe that any officer of the above classes is domiciled in India, and, therefore, not entitled to the allowance, he should institute enquiries and, if necessary, refer the case to the Local Government concerned for orders.

2. In the case of all officers who are not subject to the rules in Chapter XIII of the Civil Service Regulations, a certificate should be obtained by the Audit officer from them, to the effect that they are not domiciled in India, on the first occasion on which the allowance is applied for. It has been decided that that certificate should be given as follows:—

For officers of the Buildings and Roads and Irrigation Branches.	By a Superintending Engineer, or Superintendent of Works, countersigned by the Secretary to the Local Government in the Public Works Department.
For officers of an open line of railway	By the Head of their Department, countersigned by the Manager of the Railway concerned.
For officers of Railways under Survey and Construction.	By an Engineer-in-Chief, countersigned by the Director-General of Railways, or Secretary to the Local Government concerned.
For officers of the Consulting Engineer's Department.	By the Consulting Engineer, countersigned by the Secretary, Public Works Department.
For officers of the Accounts Branch	By an Examiner, countersigned by the Accountant-General, Public Works Department.
For officers of Secretariats of the Government of India and Local Governments.	By the Secretary in the Public Works Department.
For officers of the Telegraph Department	By the Superintendent, countersigned by the Director-General of Telegraphs.

3. All cases of doubt should be referred to the Local Government concerned, but where the Accountant-General, Public Works Department, Director-General of Railways, Director-General of Telegraphs, or Government of India in the Public
