2/3552.

I have the honour to bring to your notice that B. Subramaniaya who has been acting as cashier from the 5th May 1893 has been relieved of the duties of cashier and reverted to his former post as clerk on Rs 60 a month from 23rd November 1893 and to request you will be good enough to let me know whether his agreement as cashier may now be considered as cancelled and his cash security of Rs 500 (now in the Post Office Savings Bank) returned to him at once.

2. I am aware that under the last para of the Agreement, the Deposit should be kept for a period of six months after his vacating the appointment as security against any loss that may have occurred during the period he exercised the Office of Cashier, but in the present case there appears no objection to the security being returned at once, as B. Subramaniaya is still in Government employ on a salary of Rs 60 per mensem.

and

and he has also pointed out to me that the interest he gets from the Post Office Savings Bank is much below what he could otherwise get for it.

OFFICE NOTE No. 2224-D

To

W.

Please see accompanying copy of letter from the Superintendent of Works Periyar inquiring whether there is any objection to refund the security of Rs. 500 deposited by acting cashier B.Subramonia Iyer who has been reverted to his former post of clerk from 23rd.November 1893.

2. As there is no guarantee that a man still in Government employ would if he had committed himself not disappear as soon as his deposit was refunded to him, I do not think I should be justified in authorizing the refund and I therefore refer the case for the orders of Government with request that, to save time they may be communicated direct to the Superintendent of Works.
