MILITARY DEPARTMENT.

Accounts—Budget.

Read the following :—

No. 12. *Extract from the Proceedings of the Government of India in the Military Department; dated Simla, the 6th November 1893, No. 3618-F.*

Read—The ruling in para. 6, chapter 6, of the Military Account Code, in regard to the procedure to be observed in dealing with expenditure which is brought forward and adjusted in a year subsequent to that in which it is incurred.

Observations.—It is apparent from the arrear charges (noted in the margin)

far as possible, that all claims against the Military Department shall be paid as soon as they are incurred, and that all cases of neglect or delays in the settlement of such claims shall be brought to notice.

Resolution.—His Excellency the Governor-General in Council is accordingly pleased to direct that the following modified procedure be adopted tentatively in supersession of that prescribed in the last part of para. 6 of chapter 6 of the Military Account Code :—

(a) The Examiners of Military Accounts will be required to bring specially to the notice of the Controller all cases of arrear charges, the value of which in each case exceeds Rs. 1,000, brought into the military accounts, whether incurred by Military or Civil disbursing officers, in regard to which unsatisfactory explanations have been afforded as to the delay in their settlement. When the accounts of Military disbursing officers frequently contain arrear charges of less value than Rs. 1,000 in each case, or when unsatisfactory explanations are systematically furnished in regard to such delays in settlement, the Examiners will also bring the cases to the notice of the Controller.

(b) The Controller of Military Accounts concerned will, in the case of Military disbursing officers, report the matter to the head of the department in the circle or to the General Officer Commanding the district, as the case may require, within whose jurisdiction the expenditure was incurred; and these officers will, after thoroughly investigating the circumstances, report the action they have taken in the matter to the head of the department with the Government of India, or to the Commander-in-Chief, for communication to the Government of India. Serious notice will be taken of cases which, on investigation, prove to be unsatisfactory. In the case of arrear charges from Civil disbursing officers, the Controller will report the matter to the Government of India when the charges exceed Rs. 5,000 in each case.

(c) The form in para. 6, chapter 6, Military Account Code, will be modified in the following respects:—

- (i) The name of the officer who incurred the liability and the date on which the liability was incurred will be shown therein.
- (ii) Two columns will be added—one to show the action taken by the head of the department in the circle or General Officer Commanding the district, and the other to show the remarks of the head of the department with the Government of India, or of the Commander-in-Chief. In the case of claims arising in other departments, other than those under the Military Department and of Civil officers, these columns will be left blank.

Order.—Ordered, that this resolution be communicated to all local Governments, the Commander-in-Chief in India, and departments and officers concerned, for information and guidance and issue of necessary subsidiary orders.
