Note for H. E. the Governor

Sanction was withheld to the Examiners' present proposals when formerly submitted and the orders now proposed amount to a reversal of the original decision.

After discussing the matter personally with the Examiner I am bound to say that I do not consider his proposals extravagant, and I think that if the matter had been properly explained to the Hon'ble Member in charge of the Department his objections would have been removed.

OFFICE NOTE No. 2173. C

To

W.

In G.O.No.2254 W.dated 1st.Septem-
ber 1893 I was requested to devise some
cheaper plan for securing records than
that proposed in my office note No.647C
dated 19th.August 1893,and I have given
my close personal attention to the mat-
ter;but as I find it impossible to make
any other suitable arrangement for the
records,I venture to hope that Govern-
ment may be pleased to reconsider its
decision.

2. I think it will be admitted that
every public office ought to be provid-
ed with proper accommodation for the
custody of records;and as already stat-
ed,the cost of record-racks such as are
now being supplied to other offices
would be very much greater than that
proposed by me for 30 almirahs at Rs.30
each (Rs.900). And I may add that this
charge will be partly counterbalanced
by a sum of about Rs.300 to be realized
by the sale of the present racks and
almirahs which are totally unsuited for
the purpose.

3. I trust that the saving of over Rs.13,000 a year that I have effected in the cost of my office establishment, securing at the same time improved efficiency, may be considered as evidence that economy is studied in all my proposals.
