READ—the following paper :—

Proceedings of the Board of Revenue (Land Revenue), dated 24th November 1893, No. 3715, Routine.

Read—the following letter from A. E. CASTLESTUART STUART, Esq., Acting Collector of Chingleput, to the Secretary to the Commissioners of Land Revenue, dated 15th November 1893, Ref. on No. 3941-Eng. :—

In June 1893, the Sub-Collector of Chingleput forwarded for sanction two estimates, amounting to Rs. 352, for repairing and whitewashing the sub-jail at Chingleput. But as this work was not provided for in the budget for the current year and as there were no funds available, the estimates were returned to him, and as the sum was large, he was asked to inspect the sub-jail and have the estimates revised in view to the necessary provision being made in the budget for 1894-95.

2. He inspected it accordingly and reported, "I can certify that the work for which the estimates in question were submitted is certainly very necessary and that the sooner it is carried out the better. The compound wall, which it is proposed to raise, is much too low, and once a prisoner escapes from his cell he is sure to get out of the compound with the greatest ease. Many other improvements are also called for. There are a number of out-houses and shelters in the compound by means of which an active man can easily scale the walls even in those parts where the wall itself, if it stood above, would be sufficiently high. . . . This sub-jail often contains prisoners of the worst type, those sentenced by the Sessions Court being confined here for short periods pending transfer to other jails."

3. The Sub-Collector was thereupon asked to state the amount required for rendering the sub-jail thoroughly secure. He caused the estimates to be prepared by the irrigation maistry, which amount to Rs. 1,517, and forwarded them to me. In the meantime a prisoner confined in the sub-jail escaped but was recaptured.

4. These estimates were forwarded to the Executive Engineer, Chingleput division, and he was asked to let me know the probable amount needed for the work and to favour me with his opinion in the matter. In reply, he states that the orders of Government are required to estimate for or to carry out the work.

5. As alterations and additions to the buildings have to be made, as the cost of repairs, &c., exceeds Rs. 1,000, and as the work requires professional supervision, I have the honour to request that you will be good enough to obtain the sanction of the Board for an allotment of Rs. 1,550 for the work, which is urgent, as also the sanction of Government for its execution by the Public Works Department.

29TH DECEMBER 1893, No. 3353 W., PUBLIC WORKS.

Resolution—dated 24th November 1893, No. 3715, Routine.

Submitted to Government with the request that orders for the preparation of an estimate for, and the execution of, the work in question be issued in the Public Works Department. The Board can allot funds from general savings.

Proceedings of the Board of Revenue

(Land Revenue).

Dated 24th November 1893.

No. 3715. Routine.

READ

the following letter from A. B. Castle —
Stuart Stuart Esq., ag: Collector of
Chingleput, to the Secretary to the Com-
missioners of Land Revenue, Madras,
dated 15th November 1893, Ref: on No. 3941
of 1893.

In June 1893, The Sub Collector of
Chingleput forwarded for sanction two
estimates amounting to Rs 352 for repair-
ing and whitewashing the sub-jail at Chingle-
put. But, as this work was not provided
for in the Budget for the current year, and
as there were no funds available, the
estimates were returned to him, and, as
the Comm was large, he was asked to

inspect the sub jail and have the estimates revised, in view to the necessary provision being made in the Budget for 1894-95.

2. He inspected it accordingly and reported — "I can certify that the work for which the estimates in question were submitted is certainly very necessary and that the sooner it is carried out the better. The Compound wall — which it is proposed to raise is much too low and once a prisoner escapes from his cell, he is sure to get out of the Compound with the greatest ease. Many other improvements are also called for. There are a number of out-houses and shelters in the Compound by means of which an active man can easily scale the walls even in those parts where the wall itself, if it stood above, would be sufficiently high. . . . This sub jail often contains prisoners of the worst type, those sentenced by the Sessions Court being confined

"here for short periods pending transfer to other jails."

3. The Sub Collector was thereupon asked to state the amount required for rendering the sub jail thoroughly secure. He caused the estimates to be prepared by the Irrigation Ministry, which amount to Rs 1,517, and forwarded them to me. In the meantime a prisoner confined in the sub jail escaped but was recaptured.

4. These estimates were forwarded to the Executive Engineer, Chingleput Division, and he was asked to let me know the probable amount needed for the work and to favour me with his opinion in the matter. In reply, he states that the orders of Government are required to estimate for or to carry out the work.

5. No alterations and additions to the buildings have to be made, as the cost of repairs, &c, exceeds Rs 1000.

and as the work requires professional supervision, I have the honour to request that you will be good enough to obtain the sanction of the Board for an allotment of Rs. 1550 for the work, which is urgent, as also the sanction of Government for its execution by the D. S. W.

Resolution:- 26 Nov 1893
Submitted to Government with the request that orders for the preparation of an estimate for, and the execution of, the work in question be issued in the D. S. W. Department. The Board can allot funds from General Savings.
