Sir,

In reply to your No 2055 C. of 17th December 1892,
I have the honor to inform you that owing to an
advance my pay at the present moment is only Rs 385.
Were I to deduct Rs 515, as proposed by you, I should
not have enough to pay my servants, leaving out of
account the cost of my own living.

2. As the matter was overlooked by you, I
propose to pay at the rate of Rs 22 1/2 per month
commencing from 1st proximo. I feel certain that
Government never intended that any one should be
put to serious inconvenience by the Provident
fund.
