CURRENT NO. 1041

No. 3666

From

CHAIRMAN, HARBOUR TRUST BOARD,

MADRAS.

To

The Honorable J. F. Rice J. L. S.

CHIEF SECRETARY TO GOVERNMENT,

Through

The Presidency Port Officer

Madras

Sir,

The Consulting Architect
to Government has brought to notice
that the Port Head Signaller is not
included in the list of officers -
entitled to free quarters printed
under G. O. 1764 N dated 30th June
1891 and has requested that the
sanction of Government for the
occupation of Government quarters
free of rent should be obtained
at an early date. It appears
that the Signaller in question
was granted accommodation -

inside the Port Office building
by the late Captain Taylor when
Master attendant, but that
the sanction of Government has
never been obtained to the
arrangement, and this is the
first occasion of the question of
rent being raised.

2. The arrangement I would
observe was indeed necessary by
the Signalman's duties involving
his attendance on the premises at
all times during day and night,
and it is very essential for the
proper performance of these duties
that all the Signal Staff
should reside on the premises.

3. The Harbor Trust
Board would therefore request
that sanction may be granted
to the continuance of this

to free quarters being allotted to
all three signallers, as suggested
by the Dy. Port Conservator, for
the future: for the pay of each man
is only Rupees 45, 30 and 20 respectively
per mensem, and no suitable house
accommodation is available in the
vicinity within their means. This
has resulted in the men living at
a considerable distance, to the
detriment of a proper look out being
kept at night, especially in bad
weather.

4. It is therefore not desirable
that all these men should be on the
spot to relieve each other by regular
watches, and the transfer to the
High Court will render this
feasible, and should be taken
advantage of.

I have the honor to be

2. The departmental arrangement for locating the signalman on the premises appears to have been of long standing about forty years or so, and the fact of its not having received the sanction of Government escaped my notice till the question of rent was raised.

Sir,

I have the honor to forward herewith the statement called for in para 1 of your Memo. No. 954 dated 22nd November 1892. Accommodation for the Head Signaller alone has been made in the alterations to the Old High Court Buildings into which the Post Office will remove and the space in the old High Court Buildings cannot permit free quarters being provided to two other signallers referred to in para 2 of the above memo, unless they are specially built for them.

2.

I beg also to bring to your notice that the case in question falls under vol. I Chap. XI, para 32 rule V and not under vol. II Chapter II para 28, rule IV. All that is now required is

obtain the recognition of Government as to the
aid being paid in the case of the Head
quarters occupying Government quarters free
of rent. The Examiners of P & W Accounts Madras
also concurs with me in this opinion.
