GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper :—

From L. L. WICKHAM, Esq., General Superintendent, Public Works Work-shops, to the Superintending Engineer, V Circle, dated Madras, 8th June 1892, No. 30/ S.E. V.

I have the honour to bring to your notice that, at the request of the Principal Medical Storekeeper, the following works have been carried out by the workshops :—

	RS.	A.	P.
1. Supplying wrought iron bends, &c., for steam jackets in the Medical Stores Depot	22	3	1
2. Six circular furnaces for one gallon copper still at the Medical Store Depot	202	11	6

2. These amounts have been debited in transfer to the Military Works Department, but the Examiner, Military Works Branch, refuses to accept the debit for the reason that the expenditure was incurred without reference to that department. The Examiner of Public Works Accounts, Madras, suggests therefore that sanction of Government may be obtained for the amount being charged off in the accounts of this department (*vide* copy of his letter, No. 1322 E.E., dated 27th May, enclosed).

3. I request therefore that the necessary sanction may be obtained in view to the necessary adjustments being made in the accounts of the Consulting Architect in the supplemental accounts for March 1892.

No. 269 W.

Forwarded to the Chief Engineer, Public Works Department, for sanction to the charges being adjusted as suggested by the Examiner.
