PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read again G.O. of 16th May 1892, No. 1506 W.
Read the following papers:—

From the Director of Public Instruction
of 6th September and 14th October 1892 Nos. 12173
and 13721, submitting for sanction a revised estimate
amounting to Rs. 2180 and revised plan for constructing
a latrine for the Teachers' College, Saidapet.

Order of 5th November 1892, No. 792.

The estimate still appears to be excessive
and is considerably greater than was anticipated
by the Sanitary Board when submitting the plan
upon which it is based. It will be referred to the
Consulting Architect for revision, the charge of the
Educational buildings at Saidapet having been
made over to him under G.O. of 5th September 1892
No. 2466 W. The latrine could probably be reduced
in size, with advantage, as there seems to be no
necessity to provide 14 seats for about 100 boys.
