OFFICE NOTE No. 1950

To

W.

With reference to para 2 of G.O. No. 3524 W. dated 24th. December 1892, I desire to bring to notice that there will probably be a further saving of about Rs. 50,000 under the grant for Establishment Provincial, so far as can be judged at present. This sum may therefore be transferred to works; but should there be a lapse under any other fund, there will of course be a corresponding increase in the net charge against Provincial funds for Establishment, which will correspondingly reduce the above estimated saving of Rs. 50,000.
