From A. A. G. Mabt Esquire, Executive
Engineer, Northern Western Co. to the Superintendent
-ing Engineer, 2nd mile, dated 11-11-92
No. 620 S.

398 ⁵³
1

In reply to your No. 269 MS
of 2.5.92, I have the honor to inform
you that, of the woodwork prepared
for the Deputy Tahsilदार's Office
at Senali, the only articles that can
be utilized in the revised Type design
are

Vanishing & panel doors	No
with frames 6' x 8' —	8
Panel doors with frames	2
6' x 8' —	
Total	10

The rafters for Possibly some wall plates might be
the second use but as the dimensions are not
with accuracy there would be a good deal
with the of wastage. I have the honor to
revised type request instructions as to what I should
design do with the woodwork, part of which
is at Senali and part at Beypoor.

(True Copy)

L. W. Martin
Superintendent
of Engineering

Superintending Engineer's Office.

No. 203/Ks

II CIRCLE, *Buzurda*

Dated 15th Nov 1892.

From,

J. W. Martin Esquire,

Superintending Engineer,

II Circle.

To,

The Chief Engineer,

Public Works Department,

Madras.

Enclosure.

Sir,

*Copy of Engr's
letter No 620 S
dt 11 11 92*

In forwarding Copy of letter
No 620 S dt 11th Instant from the Executive
Engineer, Western Division Kistna, bringing
to notice that only a small quantity of
the woodwork prepared for the Deputy
Tahsildar's office at Senali to suit
design Circulated with G. O. No 1602 W
dt 15th June 1887 will answer the revised
design Circulated with G. O. No 3122 W
dt 20th November 1891, I have the honor
to point out that there is a difference
of only one foot between the width of the
Jail, Police, Records, and Clerks' rooms

1893

REVENUE DEPARTMENT.

Enclosure No. /

To Current No. 276

Shewn on the two designs. I think the
width of the rooms shown on design
circulated with L.O. No. 3122W might
be reduced from 16 to 15, and then most
if not all, of the woodwork already
prepared can be used.

I have the honor to be,

Sir,

Your most obedient servant,

L. W. Macfarlane

Superintendent Engineer,

II. Circle.

SUBJECT.

Deputy Tahsildar's Office
at Senali - Suggesting
a slight alteration in the
design circulated with G.P.
No. 31224 to enable the wood
work already prepared for
the - being used.

Government of Madras.

PUBLIC WORKS DEPARTMENT.

MEMORANDUM.

398-99
4

Dated Madras, 22nd Nov. 1892.

From the Superintending Engineer
II Circle No. 2031 Ks d/15th Nov. 1892

Referred to the Revenue Department
for favour of report whether there
is any objection to the reduction
of the width of rooms as proposed
by the Superintending Engineer.

2. Materials were collected for
the construction of a Deputy
Tahsildar's office at Senali,
sanctioned in G.O. No. 2087 W. d/2nd
August 1889, but under G.O. d/27th
January 1891 No. 55. Rev., the above
sanction was cancelled and orders
were issued for the preparation
of an estimate for a Tahsildar's
office at the same place.

3. To admit of the woodwork
already

already collected being used on
the proposed new tahsildar's office,
and thus to save loss to Government,
it is proposed to slightly reduce
the accommodation provided in
the latest type design. The area
of room accommodation thus
reduced will be only 119 square feet
out of a total of 2380 square feet
allowed in the type design.

Extract from the Proceedings of a Meeting of
the Trustees of the Madras Harbour held at the
Board's office on Friday the 6th January 1873.

The Board's Engineer pointed
out the necessity of feeding the rubble recomb-
ment protecting the foreshore, although the
full tonnage of stone estimated for had been
deposited, with however a saving on the
estimated cost.

Resolved, - that the Engineer be
authorised to make arrangements to deposit
a further quantity of rubble to the full
amount of the sanctioned estimate.
