READ—the following paper:—

G.O., dated 16th December 1891 No. 2333, Judicial.

Read—again the following papers:—

G.O., dated 15th September 1891 No. 1902, Judicial.

Read—also the following papers:—

From the Public Works Department, dated 26th October 1892, No. 597 D.

From the Inspector-General of Poree, dated 5th December 1892, No. 7468.

I have the honour to suggest that the plan which accompanied the Public Works Department memo. No. 597, dated 26th October 1892, forwarded with your endorsement No. 1736, dated 8th November 192, Judicial Department, may be accepted as the standard design for an Assistant Superintendent's residence. The plan is a good one and the cost does not appear excessive.

Order—dated 16th December 1892, No 2333, Judicial.

The plan and style of building proposed are suitable, but the cost is too high. If in any locality it is found possible to construct such a bungalow for Rs. 5,970, the plan now prepared can be adopted.

(Signed)

A. BUTTERWORTH,  
Acting Under Secretary.

ORDER—dated 16th February 1893, No 413 W., Public Works.

The plan will not be regarded as a standard, but will be circulated for adoption in all cases in which the estimated cost of the building is not more than Rs. 5,970.

2. To keep the estimate within this limit, brick in clay may be used for the superstructure walls, mortar being substituted for clay for 9" round doors and windows and for 1' at the top of the walls. Stabling may be provided for two instead of three horses.
