Copy of a communication from the Agent and Manager  
Madras Railway to the Consulting Architect  
to Government, No. 5805, dated 8<sup>th</sup> February 1893.  
1035

In reply to your letter 3316 of the  
6<sup>th</sup> Instant, I have the honor to say  
that I do not anticipate that any  
advance will be required from the  
grant in aid of Rs 1000 during the  
current financial year.

I propose to expend at the  
commencement one third of the  
money collected privately and one  
third of the money to be subscribed  
by the Company and then to ask  
you to kindly pay one third of the  
Government grant, and I propose  
further to apply to you for a second  
advance when two thirds of the  
private subscriptions and the  
Company's grant have been ex-  
pended.

The delay in starting the  
work is due to the fact that I  
have not yet succeeded in obtaining  
possession

possession of the amount  
collected previously.

I am directed to Chief Engineer, Madras,  
P.O. for information.
