The Examiner sees no objection to Mr. de Winton being permitted to draw while on privilege leave the local allowance attached to his appointment as Supt. of Works.

OMB 8.2.93

The Examr. says there is no objection provided the circumstances do not require it. I see no reason to depart from the usual principle that a local allowance should be drawn by the man who does the work. It would be hard on Mr. Pears [illegible] the money to Mr. De Winton

With reference to the Supt's remarks, it would be well perhaps to obtain an expression of opinion from C whether the local allowance of Rs 100 per mensem attached to the appt. of Supt. of Works No I Periyar Divn can be drawn by Mr deWinton while on privilege leave under the provisions of Art. 300 C.S. Regns.

The establt. audit section of C's office is of opinion that it can be drawn so long as the locum tenens does not draw it.

The question of Mr deWinton's claim to Periyar allowance does not come in here - It involves a point of audit, & if Mr deWinton claims the allce & C disallows it the question will doubtless be sub-

During the interval between Mr Taylor's death & Mr deWinton's appt, Mr Pears was appointed Supt. of Works Periyar Project, & he drew the allowance attached to the post -

There seems no objection to Mr Pears being appointed to perform the duties of the appt. during Mr deWinton's absence on priv. leave -

The allowance of Rs 100 falls under the rule in Art. 300 C.S. Regs. Mr deWinton can only draw it, if his locum tenens does not, & if Mr Pears is to draw it, Mr deWinton forfeits it -

mitted to Govt. for hereafter. Para 528 o Madras P.W. Code embodies the G. of I. order under which Periyar allowances were granted, & it is distinctly stated that they are to be drawn only for periods spent above the Ghats.

If W. approves, para 1 of the draft order might perhaps issue at once, as it seems important that Mr Pears should be vested with the powers of Supdt. of Works without delay.
