ஆதரங்குறிப்பு

No 91 I. dated 13th December 1892.

From the Director General of Telegraphs.
To the Government of India, P. W. Dept.

The Travancore Durbar, in consultation with the British Resident, having asked that a Telegraph office may be opened at Thuckalay, a town in Travancore, 9 miles north of Nagercoil, and as I find that such a measure is likely to bring in a fair revenue and to be a public convenience, I have the honour to solicit that the sanction of the Government of India in the Foreign Department, which is necessary under the instructions given in your No. 457 dated 11th February 1890 may be accorded, the proposed office being in a Native State. -

postage in the Mysore State.
The Imperial Post Office
buildings in the towns
of Mysore and Nunsar
are supposed to be in
charge of the Madras
P.W. Dept. for purposes
of repairs, but there
being no Establishment
of this Dept. at the
stations in question, the
actual work has hitherto
been delegated to the
Mysore P.W. Dept. funds
for the purpose plus
Agency charges at 10 per
cent being paid from
the Imperial budget
grants to the Madras Govt.

2. The Mysore Durbar
is, however, unwilling
to undertake the petty
repairs needed to the
Achi buildings since
transferred to the Postal
Dept. or in fact any
repairs estimated to cost

48-47
/ 4

Rs 300 and below
Under these circumstances
it would perhaps be
better that all petty
repairs should be
carried out departmentally
by the Postal officials,
and other repairs requiring
professional supervision
entrusted to the Mysore
P.W. Dept. the Madras
P.W. Dept. being relieved
entirely of the duty of
repairing ^{and} budgeting
works which it has no
means of supervising.

3. I am to request an
early expression of your
views on the matter.

4. It may be added
that Public Works
Provincial Establishments
have been wholly
withdrawn from the
contiguous station
of Bangalore, and
that the duty of
maintaining the

works at that station
has been undertaken
by the Military Works
Department on behalf
of the Madras Govt.
