GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

READ—the following paper:—

From the Director-General of the Post Office of India, to the Secretary to the Government of Madras, Public Works Department, dated Calcutta, the 10th February 1893, No. 14121/M-2 No. 15 R., Anchi.

I have the honour to acknowledge receipt of your letter No. 47 W. of the 11th January 1893, stating that the Mysore Durbar is unwilling to undertake the petty repairs needed to the Anchi buildings transferred to the Imperial Postal Department or any repairs to Post Office buildings (Imperial or Anchi) the estimated cost of which does not exceed Rs. 300, and suggesting that all petty repairs should be carried out departmentally by postal officials and other repairs requiring professional supervision entrusted to the Mysore Public Works Department. You also propose that, as the Madras Public Works Department has no means of supervising the work of repairing Post Office buildings in the Mysore State, it should be relieved entirely of this duty and should no longer provide funds for the maintenance and repair of any such buildings.

2. In reply, I beg to say that these proposals are accepted. All Post Office buildings in the Mysore State, whether originally Imperial or transferred to this Department by the Durbar, will, with effect from the 1st April 1893, be treated as departmental buildings to be maintained and repaired by postal officials with funds provided by the Post Office. It is understood, however, that in any case in which the estimate for repairs exceeds Rs. 300, the work is to be considered as requiring professional supervision and executed by the Mysore Public Works Department, the necessary funds being placed by the Post Office at the disposal of that department.

ORDER—dated 21st February 1893, No. 456 W., Public Works.

Communicated to the Political Department for the information of the Resident in Mysore, with reference to his letter No. 3921/391-91, dated 5th December 1892.
