Malabar District Magistrate's Office

Calicut 15 December 1892

From

H. Bradley Esqr

as St. Magistrate of
Malabar

To

W. S. Meigs Esqr

as Secretary to the Commissioners
of Land Revenue
Madras

Sir

I have the honor to submit herewith
for the sanction of Government a plan
and estimate amounting to Rs 2000 for the
construction of two additional wards
to the sub jail at Chavakkad and for
executing certain repairs to the present
building.

2. The sub jail has at present only 5 wards
to accommodate 20 prisoners (15 males and
5 females) and very often this accommodation
is found insufficient. In January last
the sub jail having been overcrowded a
temporary shed (with masonry base) was
constructed consisting of 3 wards was constructed
at a cost of Rs 110. The Head Assistant
Magistrate and the Assistant Superintendent
of Police consider this shed most unsafe.

for the custody of prisoners and are of opinion that a strong guard would be required to prevent escapes. The average daily number of prisoners in the Sub Jail during the past two years is exhibited in the annexed statement.

3. The walls of the sub jail are reported to be cracked and though no immediate danger is apprehended the necessary repairs have to be carried out without delay. I request therefore that a special allotment may be sanctioned so that the work may be executed as early as possible.

I have the honor to be
Sir

Your most obedient servant
(Signed) Herbert Bradley
of D. Magistrate

TECHNICAL NOTE.

Name of work Additional wards to the sub-jail at Chavakkad. Malabar Dist.

Amount of estimate Rs. 2000

In the report accompanying the estimate it is stated that the estimate has been called for by the Collector of Malabar.

The estimate provides for extending the existing sub-jail by constructing two additional wards one 8' x 15' & the other 19' x 15' at Chavakkad & for repairing existing repairs to the existing building. The present wards 5 in number afford accommodation for only 21 prisoners which has proved inadequate hence it is proposed to construct additional wards to accommodate 10 extra prisoners or 31 prisoners in all to meet requirements.

The additional wards are to be built in continuation & similar to the existing block with walls of burnt brick in chunnam block.

The plan to estimate does not appear to have been scrutinized in the S. I. Office, as they are not signed by the Super. Surgⁿ. & it is not known who allowed the estimate in pencil.
