GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following papers :—

From J. C. LARMINIE, Esq., Superintending Engineer in charge of Coimbatore division, to the Superintending Engineer, IV Circle, dated Calicut, 15th November 1892, No. 4015.

With reference to G.O., No. 2959 W., of 25th October 1892, bearing your endorsement No. 540 C.I. of 29th idem, I have the honour to report that the building now rented provides accommodation for the Royal Artillery office as well as for the orderly room clerk; for the latter alone suitable quarters could be rented for about Rs. 30 per month.

No. 482 W.

Submitted to the Chief Engineer, Public Works Department, for information.

(Signed) J. C. LARMINIE,
Superintending Engineer, IV Circle.

22nd November 1892.

Office-note from the Examiner, Public Works Accounts, dated Madras, 5th December 1892, No. 1921 C.

[Your office-note No. 5009 C., dated 29th November 1892.]

Yes. Only a proportionate share of the rent for the portion occupied by the sergeant is chargeable to the Military Works grant. The rent of the other portion occupied by Royal Artillery office should be paid and adjusted by the Military Department (see Government of India Public Works Department Code, volume I, chapter VII, para. 78, and chapter XI, para. 21, and also Madras Code, chapter X, para. 1137, which under G.O., No. 2806 W., dated 7th October 1892, must be acted on).

2. Before receipt of your office-note it was not known to this office that a portion of the building was used *as an office* by the Royal Artillery.

From W. C. LEWIS, Esq., Executive Engineer, Coimbatore division, to the Superintending Engineer, IV Circle, dated 11th January 1893, No. 54.

With reference to your endorsement No. 591 C.I. of 11th December 1892, I have the honour to forward, herewith, a plan of the "Montacute House," showing the portions occupied by the orderly sergeant and those occupied by the Royal Artillery office.

2. Though the sergeant is occupying a little over half the building, as will be observed from the plan, yet, considering the circumstances that a suitable building on a monthly rent of Rs. 25 to 30 could be got for the sergeant, the rent of Rs. 60 per mensem now paid for the building may in equity be divided equally between the two and the present arrangement continued. If, on the other hand, the Military Department has any objection to bear half the cost, another small building will be hired for the sergeant.

3. The Royal Artillery office has been accommodated since 1st April 1890 and the rent payable by the Military Department up to end of December 1892 comes to Rs. 870 as per particulars below, and I request to be informed whether the amount due may be debited to the Military Department.

	RS.
From 1st April 1890 to 31st March 1892, half of Rs. 50, rent paid for "Flora Cottage"	600
From 1st April 1892 to 31st December 1892, half of Rs. 60, rent paid for "Montacute House"	270

Returned as requested.

2. The Staff Captain, Royal Artillery, Ootacamund, draws a staff salary of Rupees 250 per mensem, which includes Rs. 60[*] for office allowance and office rent; the claim on account of rent for the portion of the orderly room clerk's quarters occupied by the Royal Artillery office should, under the circumstances, be preferred by the Public Works Department against the Staff Captain, Royal Artillery.

2. NOTES.

Reference to Madras P. W. D. Code of 1886.

Paras. 1136 *et seq.*, and Appendix C.

1. It will be the duty of the officers of the department, on requisition of the local authorities, to provide quarters and all other necessary buildings, to the extent allowed by the regulations, for troops and public military establishments entitled to, and requiring accommodation, and for the families of soldiers on actual service. The executive engineer will arrange for this by allotting public buildings which may be vacant, or which can be vacated, or where no suitable or available public buildings already exist by hiring or otherwise engaging suitable quarters or buildings as may be requisite, to which course the previous sanction of the Government will be obtained when the rent proposed exceeds the authorised scale.

2. Applications for the sanction of the Government to the hiring of quarters for military subordinates when the proposed rent exceeds the authorised scale will be submitted in this form. The sanction, when given, will hold good in Nílgiri division for a period not exceeding twelve months, and in all other divisions for a period not exceeding six months. Executive engineers should endeavour within the period of sanction to provide other quarters at a rent not in excess of the authorised scale; but when this is not practicable, renewed sanction for a further period not exceeding twelve or six months, as the case may be, should be applied for beforehand. Executive engineers should be careful to ascertain the probable length of time for which quarters are likely to be required before entering into any agreement with a landlord.

3. The hiring of houses for military purposes is to be strictly limited to meet tha essential requirements, according to the regulations for the accommodation of troops, and for the families of soldiers and for medical and other subordinates authorised to be provided with free quarters and is not to be extended to the provision of offices and such like miscellaneous purposes, unless under the orders of the Government.

4. Should buildings be hired by the military authorities without the intervention of the department and without the sanction of the Government, the executive engineer will not be at liberty to defray the charge from the funds at his disposal until sanction is obtained.
