PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Director of Public Instruction, 13 January 1893, No. 166.

In submitting herewith a copy of a letter from the Principal, College of Engineering, No. 1350 B, of 23 December 1892, I have the honour to recommend that permission be granted to the Solder Student, I. O. Phelan, remaining until the 30 June next in the Military Quarters attached to the College, instead of being placed under Military control at Fort Saint George as per G.O. of 15 March 1891, No. 6548 of 1891, No. 209, Educational.

2. The student in question wishes to study for a language examination and his residence in the College premises will, it is believed, afford him facilities for successfully prosecuting his studies. The proposed arrangement will not entail any extra charge on Government as the student's claim to conveyance allowance will still be limited to Rupees 11, the amount sanctioned in G.O. of 12 May 1892, No. 1111, communicated with G.O. of 30 May
