No 45.

Office of District and
Sanitary Officer, Madras
11th July 1893.

From

Surg. Maj. J. C. Reeves

District & Sanitary Officer
Madras.

To

The Surgeon General
at the Court of

Madras.

Sir,

I have the honor to
inform you that Mr. H. E.
Clark, Acting Sanitary Engineer to
Government and a Magistrate of the
Public Works Department is now con-
valescing from an attack of Typhoid
fever and I am anxious to have him
sent to the Pulney Hills as soon as
possible in which place he has peculiar
facilities necessary in his weak state
placed at his command. He has
very recently returned from furlough
and has consequently no privilege leave
due.

I request therefore
that if necessary the two nearest
Commissioned Medical Officers be
directed to assemble at Madras for
the purpose of forming a Board to
grant him sick leave.

The

With reference to Article No. 899 of Civil Service Regulations, I may state the Mr. Clerk is only a casual visitor to Madras. He came here on inspection duty for a few days early last month, fell sick the day of his arrival and has been sick ever since. Although I attended Mr. Clerk through his illness, I do not know if for the purposes of a Medical Board I should be termed his regular Medical attendant.

I request that early arrangements be made for a Medical Board as it is important that Mr. Clark should be enabled to get away to a Hill Climate very soon.

The usual Certificate
and Medical Case will be
prepared and Submitted.
