OFFICE OF CONSULTING ENGINEER FOR RAILWAYS,
Madras, 21st February 1893.

No. 101

MEMORANDUM.

7 Remarks returned

With reference to P. W. D Endorsement
No. 723 C dated 18th February 1893 the undersigned
has the honor to state that the Railway adminis-
trations Concerned have been asked to furnish
this office with the Index plans of the lines
Surveyed, Constructed &c as per statement
which accompanied this office Memo No. 858
dated 1st December, 1892, and that on their
receipt they will be forwarded to the Secretary
to the Government of Madras, P. W. D
for transmission to the Surveyor General
in India. This will, however, take some
time.

2 The undersigned begs to take this
opportunity to state that it has not been
usual for this office to supply the Surveyor
General with Index Maps of Railway
lines as an Index Map invariably accom-
panies each report of inspection of Railways
prior

5/562-43

prior to opening for public traffic and it was understood that Secretary office at Calcutta obtains the loan of it from the Govt of Indian Secretariat

No 542-W dy 1st March 1893

To
The Surveyor General
Survey of India dept
Calcutta.

Sir,

With reference to your letter No. 3262 D/5 dy 15th Dec. 1892 and reminder No. 2082/5 dy 8th January 1893, I am directed to state that the Railway Administrations concerned have been asked to furnish index plans of the lines included in the statement which accompanied my letter No 3366-W. dy 8th December 1892, and on receipt they will be forwarded to you. It will however take some time to obtain the plans.

2. I am at the same time to point out that an index map invariably accompani

accompanies the inspection
report sent to the Govt
of India prior to opening
any line for public
traffic, and to inquire
whether it would not
be practicable to obtain
these maps on loan from
the Govt of India Secretariat,
and thus save the Railway
administrations concerned
the labour of preparing
duplicate copies for
transmission to your
office.

I have &c
