FEB. 93

Sir,

In acknowledging receipt of your No. 1798 S of 25th instant forwarding Extract from remarks from rejoinder sheet on Disallowance List of Salary Bill for September 1892 from the Examiner of D.P.W. Accounts, I have the honor to state that that officer is evidently of opinion that both Medical and Staff allowances cannot be drawn by a Warrant Medical Officer at one and the same time. I beg respectfully to submit however that any allowances drawn by a Warrant Medical Officer do not debar him from drawing further allowances; for instance, not only may both medical and Staff allowances, but also Field, Pony and Clerks allowances may all five be drawn at one and the same time.

I beg to submit that a Medical charge allowance is for the medical charge of individuals while the staff, or as it is sometimes called the Sub medical charge allowance, is for the care and custody of medical and Surgical supplies, and in more direct support of the present claim for Staff allowance @ Rs 30 per mensem from 16th June/92 withheld from me, I beg to enclose copy of

Para 855 B. A. R. I. Vol I. Part I; from which it will be seen that both the Medical and Staff allowances are combinedly drawn by a Warrant Medical Officer when in charge of a detachment of (50) fifty British or (380) three hundred and eighty Native troops of all arms. My present charge includes over three thousand working people alone; and I would with all deference submit that I do not think that it was the intention of the Government of Madras in sanctioning a Warrant Medical Officer to the Project in its Order No 1254 W of 20.4.92 that he should forgo any of his military advantages in the appointment. In fact, in consideration of the unhealthiness of Climate, loss of private practice, and dearness of provisions, which in respect to the ordinary necessaries of life is about fifty per cent over rates on the plains, if the allowances with reference or some special allowance be not granted, a posting to the Project may, I would respectfully opine, be regarded as a punishment in consideration of the disadvantages above enumerated.

I beg therefore to request that you would be so good, if the Engineer still considers the two allowances inadmissible simultaneously, to solicit the favour of the Sanction of the Government of Madras to the Staff or non-medical allowances of Rs thirty per mensem being passed to me with effect from the

16th June 1892 – the date on which I entered on my duties on the Project.

I have the honor to be,
Sir,
Your most Obedient Servant,
E. J. Baptist.

Sir,

ENCLOSURES. 1.

In forwarding an appeal from Mr. E. J. Baptist, Assistant Apothecary A. M. D. against a ruling of the Examiner of Public Works accounts, I have the honor to request that you will be good enough to obtain from Government a decision of the Case in point.

In addition to the pay of his class (Rs 110) and free quarters, Mr. Baptist draws a Medical charges allowance of Rs 50, and Periyar allowance of Rs 25 both of which additions have been passed by the Examiner. Mr. Baptist further claims a

a staff allowance of Rs 30 per mensem under India Code Vol I Chapter 4, para 72 which the Examiner has disallowed on the ground that it is "Clearly not intended that Warrant medical officers should draw a staff allowance of Rs 30 under the Government of India ruling * * * in addition to the distinct charge allowance of Rs 50 under the Madras Rules."

In view of Mr Baptist's statement that these two charges have been drawn simultaneously and of his quotation from the Army Regulations which seems to bear this statement. I am doubtful whether the Examiner's disallowance is correct.

I have the honor to be

Your most obedient Servant,

Copy of Letter from Secretary to the Surgeon-General with the Government of Madras, Madras, to the Examiner of P.W. Accounts, Madras, No. 908 dated 11th February 1893

Reference
His endorsement No. 297 C dated the 6th February 1893 herewith returned as requested.

Has the honor to inform that the Charge allowance of Rs 50 drawn by Assistant Apothecary Baptist should be held to cover his claim for staff allowance as he cannot draw both allowances for one and the same appointment.

The quotation from the Army Regulations refers to Cases (which are very rare) where Warrant Medical officers are appointed to act for Commissioned Medical officers and cannot therefore apply to the present Case.

It is noted that Mr Baptist also draws the Periyar allowance of Rs 25.

The question as to the title of Mr. Baptist, Asst. Apothecary to staff allowance of Rs.30 per mensem in addition to the charge allowance of Rs.50 per mensem now being passed to him was referred to the Surgeon General with the Government of Madras for favour of his remarks. His reply (copy attached) to the effect that the claim is inadmissible is enclosed for the orders of Government.
