GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

READ—again the following papers :—

G.O., dated 8th February 1889, No. 77, Financial.
" " 23rd March " " 189 "

READ—also the following paper :—

Revised rules regarding the supply of newspapers and other periodical publications through the agency of the Financial Department of the Government of Fort St. George.

1. Newspapers or other periodicals, whether published in or out of India, required for public officers, may not be procured otherwise than through the agency of the Financial Department of the Secretariat. Every order for them should be sent to that department by the indenting officer with a copy or note of the sanction for supply by the Government department concerned. If it has been duly sanctioned by Government, the Financial Department will comply with the indent, and will cause the publications to be sent direct from the place of publication to the address of the indenting officer.

2. A statement will be prepared in the Financial Department in the first week in September of each year, showing the names and number of copies of the publications supplied to each officer under the sanction of Government, the expenditure incurred, and the payments made in other Presidencies on account of the Financial Department. The statement will be circulated to other departments of Government for information and orders. Unless orders to discontinue any of the copies supplied are received, it will be assumed that the authority is continued for another year.

3. All charges will be passed by the Financial Department and paid by the Accountant-General. He will debit the charges and furnish particulars to the departments and officers concerned, who will at once advise the publishers of the non-receipt of any periodical, or be responsible for the incompleteness of the series.

In the case of publications issued by the Lawrence Asylum Press, Madras, this procedure will not be necessary. Any officer failing to receive a publication duly authorized by Government should, as directed in G.O., dated 16th June 1892, No. 636, Financial, communicate the fact at once to the Secretary to the Lawrence Asylum Press.

4. The subscriptions paid should, as far as possible, be for the calendar year. When a periodical or newspaper is ordered for the first time after the commencement of the year, the subscription should be arranged to be for the rest of the year, and be renewed from the 1st of January.

5. The Accountant-General will arrange for a half-yearly audit of the purchase account.

ORDER—dated 22nd February 1893, No. 196, Financial.

The revised rules will be circulated to all Departments of Government for information and guidance, and copies furnished to the Resident in Mysore and to the Chief Commissioner in Coorg.
